MR. BRIAN RELLA, TREASURER

Struthers City Schools DRUND Waiver Form

The Struthers City School District has adopted DRUND, a closed social media community. Only members of the Struthers DRUND community (staff, parents, and students) will have access to view the content posted. The purpose of DRUND is to communicate and keep students, parents and staff informed of what is going on in the school district as well as the classrooms. Teachers will have the ability to take photos and videos of the amazing work that students are completing every day at the school or on field trips. Students may be photographed or videotaped during various projects, field trips or special events. Again, this is only for our Struthers School Community and is invite only. Students in Grades 7-12 will also have the ability to log in to DRUND and use the system to communicate with staff and peers to stay connected and up-to-date with projects, assignments and even homework help.

_____ I **do not** want my child to use the DRUND system via the Struthers DRUND Community. This only pertains to grades 7-12, students grades K-6 do not have access.

_____ I **do not** consent to having my child's photograph used in any post made on Struthers DRUND Community. This will inform the teacher that they are not allowed to use your child's photo on DRUND.

Please return this form to the main office of your child's school.

Parent or guardian signature: _____ **Date:** _____

Student Name: _____
