

the Benefits and Consequences of Participating in CCP

Benefits of Participating in CCP

High School Graduation Requirements

- Apply college credit to your high school and college credit at the same time.

College Education

- Earn up to 30 credits a year; 120 credits max
- Transfer many credits to University System of Ohio schools – visit <https://transfercreditoio.gov> to learn more.
- May lower overall cost of college
- May shorten the time to complete your degree.

COST

- Tuition, books, and academic fees for public universities are paid for by the Struthers City School System
- Participation will not affect a student's eligibility at any Public College for scholarships/benefits/or opportunities available for first time college students.

Academic Resources

- Academic Advisor on campus will guide you on your course selection, availability, and how it applies to your major.

- *You must notify the guidance office in writing of interest by April 1st prior to the year of participation.*
- *The ACT must be taken by February prior to participation.*
- *University admittance does not guarantee admittance into a course. Universities may still require prerequisites and/or placement exams.*
- *Further information can be found on the website for the Ohio Board of Regents*

Information to Consider

Transcripts and Graduation Requirements

- End of course AIR Exams for high school are still required for graduation.
- You are earning credit on your high school and college transcript. Transcribed grades may not follow one from university to university; however, the grades will be calculated on applications to graduate school
- If one attends the university (after high school) where college credit has been earned, the earned college GPA will continue there.
- Not completing or failing a class will be calculated into the GPA, and may result in an inability to meet graduation requirements.

Schedules

- Start/End dates, holidays, spring break and snow days can be different; making one keep track of two schedules.
- Course availability varies. There is no guarantee of enrollment in college course during times that work well for your school activity or academic schedule.
- Colleges must give priority to current students; hence CCP Students on campus will register on assigned dates in the summer for classes that have room.

Cost

- School supplies, parking permits, campus rec fees, library fines, parking fines etc. are your responsibility
- Be aware of financial aid at any university you may be considering
- Struthers Schools will seek reimbursement and will withhold grades/credits for: failed courses, courses not successfully completed, withdrawal fail.
- Students will be responsible for their own transportation if choosing to take courses on another campus.

the Benefits and Consequences of Participating in CCP

Academic and Social Responsibility

- The college course will **Not** change because a minor is in the class or if the class is taught in the high school
- You are expected to follow all campus rules
- Students 14 and under may be required to have a parent accompany them while on campus (YSU will use this rule)
- Be aware of transfer rules and applicability
