### Mathematics – Periods 2 and 8

#### Days 1 – 3:

- Log in to Khan Academy ([www.khanacademy.org](http://www.khanacademy.org)) using your student e-mail and password. Make sure you click the link that says "Sign in with Google".
- Complete 20 minutes of a self-selected activity from the following categories:
  - Day 1 – Algebra
  - Day 2 – Geometry
  - Day 3 – Self-Selected

### Social Studies – Period 5

#### Days 1 – 3:

- Using a reputable news website such as [www.channelone.com](http://www.channelone.com), [www.vindy.com](http://www.vindy.com), etc. read one article from the following categories and summarize the article in one or two paragraphs:
  - Day 1 – Local News (Struthers, Youngstown, or Ohio)
  - Day 2 – National News (anywhere in the United States)
  - Day 3 – International News (anywhere outside of the United States)
- You may write your summary on paper and turn it in to me when we return to school or log on to your Google drive and type it there. If you type it on your Google drive, you must share it with me.

### Independent Study – Period 7

#### Days 1 – 3:

- Complete three points (for each day that you are required to complete a blizzard bag assignment) on Teen Tribune.
