MR. JOSEPH S. NOHRA JR., SUPERINTENDENT
MR. BRIAN RELLA, TREASURER

Dear Parents,

The Struthers City School District has adopted DRUND, a closed social media community. If you are new to Struthers City Schools you may be asking,

“What is DRUND and Why is the district using it?”

DRUND is a communication tool for the district to safely share information to only its Struthers City School community. DRUND allows the district to control who is able to access and see information that is solely focused around teachers, school organizations and important district updates. DRUND also allows us to reduce our costs and greenhouse impact by going digital versus paper and print.

If you have been utilizing DRUND as a parent or student, this letter is to remind you of how the District will be communicating district wide alerts, such as school closures and other possible emergencies. If you do have an account but are unable to login please contact Mrs. Carlson at bethany.carlson@strutherscityschools.org.

If you are new to DRUND, please see the included directions on how to access your account. For parents/guardians of new students in grades K-4, an account has been created for you. If you already have an account you are able to follow your child’s teach(s) under the one account, you do not need to create a second account.

For all parents – If you wish for your child’s picture to be restricted from the secure DRUND website, **please fill out the form on our district website and return by Friday, October 3, 2016 to your child’s school office. As a reminder, this is a closed, secure site strictly to share school related information.**

Forms are located on the District Website under Parents: Parent Resource Links

Please note: *The Struthers Local School District is not responsible for images and or information that DRUND parent and student users post in the community. If you have selected to opt your child out of DRUND and they appear on other users posts, please let us know immediately and we will remove the image within 24 hours.*

Sincerely,
Joseph S. Nohra, Jr.
